Good Afternoon.

It has been requested that you participate in the radiation program as a special one-time study. This study will last approximately 30 days. I am in the process of acquiring a dosimeter for you. It will probably take about a week before they arrive. In the meantime, I will need your SSN and date of birth so when you get a chance, please drop by to let me know what they are.

Jennie, Sue and Robin: I have three extra dosimeters at my desk. Please drop by to let me know what your SSN and DOB are and to pick up your dosimeter.

If you have any questions or concerns, please feel free to contact Skip or me.

Thanks

Susan
